## **\*\*NOTICE\*\***

**Applicant must place stakes to indicate the proposed location and width of the driveway. A Hamilton Township representative will inspect the construction site upon the application for the driveway permit. At such time as an existing slate or stone driveway is improved by means of concrete or blacktop, an additional site inspection will be required and an inspection fee will be charged accordingly. It is the responsibility of the property owner and/or resident to notify the Hamilton Township office 24 hours in advance of such work. Failure to notify this office for an inspection will constitute a violation of Ordinance No. 49.**
